## How to use:

**UP TO 12 TIMES  
LONGER LIFE THAN  
A STANDARD WET HOLE SAW**

The QEP® wetDRY Diamond Hole Saws are designed for the easy, fast and accurate cutting of porcelain, ceramic and glass tiles. These hole saws feature a special diamond grit edge for faster and smoother cuts, while using less water than conventional diamond drill bits. Simply dip the hole saw into water and drill the desired hole for professional quality and results.
