

# Dual Grit Sanding and Rubbing Stone

10022

**SMOOTH SIDE**  
Use for smaller imperfections  
on newly cut tiles

**COARSE SIDE**  
Use for rougher surfaces

**80**  
Fine

**60**  
Coarse

**SMOOTHS ROUGH EDGES  
ON FRESHLY CUT TILE**

The QEP® Dual Grit Sanding and Rubbing Stone smooths rough edges on freshly cut ceramic and porcelain tile, stone, marble and brick. It features 60 and 80 grit surfaces for medium and fine abrasion. This stone is designed to fit comfortably in your hand for ease of use. It may also be used to remove built up debris on diamond blades.
