The 21643Q Professional Handheld Tile Saw is great for cutting tile with accuracy and speed. It features a 4 inch wet/dry cutting blade and is easy to use with the provided adjustable steel base, which provides a depth and angle guide for repetitive cutting. The guide also is used for bevel cutting from 0° to 45°.

This saw is powered by a 1-3/5 HP motor and will cut depths up to 1-1/4 inches at 90° and 1-1/8 inches at 45°. Includes a custom molded carrying case and wrenches for a quick blade change.
