durability for grout clean up, tough
and general purpose cleaning

VERSATILE
Soft microfiber on one side and rows of
non-abrasive, scrubbing micro-bristles
on the other for maximum cleaning,
dusting and washing performance

**MICRO-BRISTLES
FOR SCRUBBING**

The QEP® Multi-Surface Microfiber Cloth can be used to clean, dust, scrub and shine most surfaces. One side of the cloth is made of soft microfiber and the other side of the cloth features rows of non-abrasive, scrubbing micro-bristles. These bristles can remove stubborn dirt, grime and dried grout immediately after installation. This microfiber cloth is safe for cleaning cooktops and washing cars, as the micro-bristles will not scratch the surface.
