Premium gum rubber laminated to lightweight, closed cell core is built to last

PRECISION ROUNDED CORNERS
prevent gouging of grout joints

DURABLE EXTRA THICK ALUMINUM BACKING FOR MAXIMUM LEVERAGE

The QEP® Gum Rubber Grout Float features a non-stick gum rubber to ensure grout is applied evenly and smoothly. The 2 rounded corners help prevent gouging at grout joints and 2 square corners help you spread grout in corners and tight areas. The large wood handle allows easy maneuvering and a firm grip. Use for smoothing porcelain and ceramic, textured tile and natural stone. This oversized gum rubber pad is preferred by professional flooring installers.
